

United States of America  
Department of Transportation - Federal Aviation Administration  
**Supplemental Type Certificate**

*Number* SA02558SE

*This certificate, issued to*

**AeroLEDs, LLC  
8475 W. Elisa St.  
Boise, ID 83709**

*certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 23 of the Federal Aviation Regulations.*

*Original Product—Type Certificate Number:* A78EU  
*Make:* Pilatus  
*Model:* PILATUS PC-12, PILATUS PC-12/45,  
PILATUS PC-12/47, PILATUS PC-12/47E

*Description of the Type Design Change:* Installation of a Light Emitting Diode (LED) Landing and Taxi Light in accordance with Pilatus Landing and Taxi Light Master Drawing List 3000-0014, Revision IR, dated February 14, 2017, or later Federal Aviation Administration (FAA) approved revision. Maintained in accordance with Instructions for Continued Airworthiness (ICA) in the Installation Guide Document 3000-0010, Revision A, dated February 10, 2017, or later FAA-accepted revision. Operated in accordance with previously approved Airplane Flight Manual (AFM) Report Number 02211, Revision 12, dated November 25, 2016, or later FAA-approved revision.

*Limitations and Conditions:* Approval of this change in type design applies to the above model aircraft only. This approval should not be extended to other aircraft of this model series unless the installer determines that the relationship between this change and any other previously incorporated approved modifications will introduce no adverse effect upon the airworthiness of that aircraft.

A copy of this certificate, the ICA, and the AFM must be maintained as part of the permanent records for the modified aircraft.

*This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.*

*Date of application:* October 14, 2016

*Date reissued:* September 14, 2017

*Date of issuance:* August 30, 2017

*Date amended:*

*By direction of the Administrator*

(Title)

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both. This certificate may be transferred or made available to third persons by licensing agreements in accordance with 14 CFR 21.47. Possession of this Supplemental Type Certificate (STC) document by persons other than the STC holder does not constitute rights to the design data nor to alter an aircraft, aircraft engine, or propeller. The STC's supporting documentation (drawings, instructions, specifications, flight manual supplements, etc.) is the property of the STC holder. An STC holder who allows a person to use the STC to alter an aircraft, aircraft engine, or propeller must provide that person with written permission acceptable to the FAA. (Ref. 14 CFR 21.120). This certificate may be transferred in accordance with FAR 21.47.
